

Program & Host Committee

Conference Program Chair:

Maria Elena Jefferds, PhD

Lead Epidemiologist and Team Lead,

Centers for Disease Control and Prevention (CDC), USA

Track 1: Micronutrient Biology and Status Assessment

Co-Chairs:

Sophie Moore,

Professor, Kings College London, UK

Kyly Whitfield,
Associate Professor, Mount Saint Vincent University, Canada

Committee Members:

- **Kenneth H. Brown, MD**, Distinguished Professor Emeritus, University of California, Davis, USA
- **Jennifer Coates, PhD**, Associate Professor, Tufts University, USA
- **Kerry Jones**, Senior Nutritional Biomarker Specialist, University of Cambridge, UK
- **Saurabh Mehta**, Physician and Epidemiologist, Cornell University, USA
- **Alida Melse**, Associate Professor Global Nutrition, Wageningen University, The Netherlands
- **Martha Mwangome**, Research Scientist and Wellcome Trust Intermediate Fellow, KEMRI/Centre for Geographic Medicine Research Coast (CGMRC) & KEMRI/Wellcome Trust Research Programme (KWTRP), Kilifi, Kenya
- **Victor O. Owino**, Nutrition Specialist, International Atomic Energy Agency, Austria

- **Sant-Rayn Pasricha**, Division Head, Walter and Eliza Hall Institute of Medical Research

Track 2: Efficacy and Safety of Micronutrient Interventions

Co-Chairs:

Lindsay Allen,

Research Physiologist, USDA,

ARS Western Human Nutrition Research Center, USA **Erick Boy**,

Chief Nutritionist, Harvest Plus, Canada

Committee Members:

- **Kamija Phiri**, Professor, Kamuzu University of Health Sciences, Malawi
- **Lisa Rogers**, Technical Officer, World Health Organization, Switzerland
- **Maria Elizabeth Tejero Barrera**, Laboratory Head, Instituto Nacional de Medicina Genómica, Mexico
- **Shakuntala Thilsted**, Director, Nutrition, Health and Food Security Impact Area CGIAR, Denmark
- **Mary Uyoga**, Nutritional epidemiologist, North-West University / Noordwes-Universiteit, South Africa
- **Michael Zimmermann, MD**, Professor, ETH Zürich, Switzerland
- **Stanley Zlotkin MD**, Chief, Centre for Global Child Health, Sick Kids, Canada

Track 3: Program Implementation and Effectiveness

Co-Chairs:

Mdu Mbuya,

Director of Knowledge Leadership,

Global Alliance for Improved Nutrition (GAIN), USA

Deanna Olney,

Director, Nutrition, Diets and Health Unit,

International Food Policy Research Institute, USA

Committee Members:

- **Mandana Arabi MD, PhD**, Vice-President, Global Technical Services and Chief Technical Advisor, Nutrition International, Canada
- **Anabelle Bonvecchio**, Managing Director, Instituto Nacional de Salud Pública, Mexico
- **Inge Brouwer**, Professor, Wageningen University & Research, Netherlands
- **Nita Dalmiya**, Senior Advisor, Nutrition (Knowledge, Advocacy and Partnerships), UNICEF, USA
- **Omar Dary**, Nutrition Science Specialist, USAID, USA
- **Rebecca Heidkamp**, Associate Scientist, John Hopkins University, USA
- **Dan Irvine**, Global Director, Health & Nutrition, World Vision International, USA
- **Sarah Bauler MPH**, Senior Advisor, Design, M&E and Research in Nutrition, World Vision International, USA
- **Frances Knight**, Project Lead, Nutrition Division, World Food Programme, UK
- **Denish Moorthy MD MS**, Senior Technical Advisor, USAID Advancing Nutrition, USA
- **Debbie Obadan-Benneth**, Nutritionist and Public Health Professional, Nutrition International, USA

- **Lisa Shireen Saldanha**, Nutrition Specialist, World Bank Group, USA

Track 4: Designing Enabling Environments for Micronutrients

Co-Chairs:

Asma Lateef,

Policy and Advocacy Lead, SDG2 Advocacy Hub, USA **Rajul Pandya-**

Lorch,

Member, Board of Directors, Micronutrient Forum, USA

Committee Members:

- **Rina Agustina MD PhD**, Head, Human Nutrition Research Center (HNRC), Universitas Indonesia, Indonesia
- **Shawn K. Baker**, Chief Program Officer, Helen Keller International, USA
- **Muhammad Irshad Danish MD**, Senior Advocacy Advisor, Asia, Nutrition International, Pakistan
- **Augustin Flory**, Senior Fellow, Results For Development, USA
- **Solange Heise**, Nutrition Advisor, C4N (Micronutrients), Niger
- **Klaus Kraemer**, Managing Director, Leadership Team, Sight and Life, USA
- **Anna Lartey PhD**, Professor of Nutrition, University of Ghana, Ghana
- **Saskia Osendarp**, Executive Director, Micronutrient Forum, The Netherlands
- **Larry Umuna**, Regional Director, West Africa, TechnoServe, Nigeria
- **Greg S. Garrett**, Executive Director, Access to Nutrition Initiative, The Netherlands
- **Marti van Liere PhD**, Director of Programs, Micronutrient

Forum, Switzerland

- **Howdy Bouis**, Emeritus Fellow, International Food Policy Research Institute

Host Committee

Host Committee Chair:

Inge Brouwer,

Professor, Wageningen University & Research

Host Committee Members:

- **Lucy Elburg**, Education & Research Assistant, Wageningen University & Research
- **Edith Feskens PhD**, Professor, Global Nutrition, Wageningen University & Research
- **Hans Verhoef**, Associate Professor, Wageningen University & Research
- **Alida Melse-Boonstra PhD**, Associate Professor, Global Nutrition, Wageningen University & Research
- **Arine Valstar**, Co-Chair, Netherlands Working Group on International Nutrition (NWGN); Food and Nutrition Consultant, FAO/ Sustainable Food System One Planet Network
- **Monique Beun**, Global Nutrition Lead, Global Nutrition Lead SNV Netherlands Development Organization
- **Elise Talsma PhD**, Assistant Professor, Division of Human Nutrition, Wageningen University & Research
- **Anouk de Vries**, Associate, Policy & Advocacy, Global Alliance for Improved Nutrition (GAIN)
- **Laura Witlox**, Communications Advisor / Media Relations Agrotechnology & Food Sciences, Wageningen University & Research
- **Rens Koele**, Public affairs Advisor, Wageningen University & Research
